REPAIRS:

REPAIR DOCUMENTATION SHOULD BE OBTAINED AND REVIEWED BY THE MEMBER PRIOR TO THE LOAN CLOSING. REPAIR DOCUMENTATION IS REQUIRED TO BE PROVIDED AS PART OF THE DISBURSEMENT REQUEST SUBMISSION UNLESS THE HOMEBUYER HAS CONTRIBUTED ENOUGH OF THEIR OWN FUNDS TO COVER THE COST OF THE REPAIR(S).

If repair expenses are included on the Closing Disclosure, they must be documented by one of the two options below:

Option 1: Escrow

- Repair expenses are held in escrow and disbursed by the member or closing agent.
 - The funds held in escrow must be shown on the Closing Disclosure.
 - An estimate from the contractor or vendor for the repairs and a detailed list of the repairs must be provided to FHLBank. Printouts of online shopping carts, home inspection reports, appraisal requirements, etc. will not be accepted as estimates. In addition, estimates should not be prepared or altered by the member or homebuyer.
 - The estimate includes the address of the property in which the repairs are to be made.
 - Copies of the estimates detailing the repairs and cost of the repairs must be provided to FHLBank with the Disbursement Request.
 - Any unused funds must be applied to the new first mortgage as a principal reduction or be held in escrow and applied toward future payments.

Option 2: Paid at Closing

- Repair expenses are listed on the Closing Disclosure.
 - The repairs are listed on the Closing Disclosure, detailing the repair, as well as the cost for that specific repair.
 - Copies of paid invoices and/or receipts detailing the repairs and cost of the repairs are provided to FHLBank with the Disbursement Request.
 - The invoices and/or receipts match the vendor, amount, and repair type documented on the Closing Disclosure. Printouts of online shopping carts, non-detailed cash register receipts, home inspection reports, appraisal requirements, etc. will not be accepted as invoices. In addition, invoices should not be prepared or altered by the member or homebuyer.
