

Use the pictures below to navigate the website.

The screenshot shows the FEMA website's search interface for disaster declarations. The top navigation bar includes the FEMA logo and a search bar. Below the navigation bar, there are several menu items: 'Disasters & Assistance', 'Grants', 'Floods & Maps', 'Emergency Management', 'About', and 'Work With Us'. A prominent 'Apply for Assistance' button is also visible. The main content area is titled 'Disasters and Other Declarations'. On the left, a sidebar lists various disaster categories under 'Disasters & Assistance', including 'Current Disasters' and 'All Disaster Declarations'. The main content area features several filter fields: 'Declaration Date' with 'Year (Start)' and 'Year (End)' dropdowns (set to 2024 and 2026), 'Declaration Type' (set to 'Major Disaster Declaration'), 'Incident Type' (set to '- Any -'), and 'State/Tribe' (set to 'Choose some options'). A red arrow points from the 'State/Tribe' dropdown to a blue 'Search and Filter Disasters' button at the bottom of the filter section. A tip below the year filters reads: 'TIP: Modify the start and end year(s) to broaden search.'
