These rates are indications only and are subject to change. Contact the Lending Desk for advance pricing and dividend adjusted pricing for products not shown above.

¹ The dividend adjusted rate assumes funding is fully supported by Class B stock and the Class B stock expected dividend rate for the current quarter (see announcement for details) of 9.50%, and an opportunity cost of buying stock, estimated to be the average interest on Reserve Balances rate for the same dividend period of 3.40%. Current advance activity stock requirement of 4.50%. $[(0.18\% = (9.50 - 3.40\%) * 4.50\%)]$ This is an approximation and for illustration purposes only.

² Amortizing advances assume straight line semi-annual principal payments.

FHLBank Topeka's Digital Transformation

Have you signed the Master Transaction Agreement?

Our digital transformation is underway. As part of the progress, we need all member institutions to review our new Master Transaction Agreement (MTA) with your board of directors and sign **by May 3**.

See the reverse for details and other key transformation dates. →

FHLBank's new MTA rolls **10 agreements** into **one** digital master document. This means no more gathering wet signatures or mailing in hard copies.

Key Dates

March 11 | Members Only authorization assignments are live for all member administrators on the new User Administration screen.

April 29-May 3 | Blackout period for Wire role changes on Members Only

May 3 | Deadline to sign the MTA

May 6 | MTA goes live. Every member of your team authorized to do transactions with FHLBank will require a Members Only account on this date, even if they are only conducting transactions by phone.
